From Your Manager

Well, our Center is up and running once again, and the place is really jumping! The new paint scheme in the lobby looks is dressy and professional, all offices and activity rooms have been renovated, the carpet in the hallways and lobby has been replaced, and all classes and activities are running once again. If you haven't been in since the burst pipe, I hope you'll stop in and check out the new look.

We are scheduling new programs, presentations, and special events. Look for information in the bi-monthly Newsletter and the flyers and posters in the Center. Keep informed on what's going on and join us when you see something interesting or try out the new classes or activities.

On August 27 we held a Memorial Celebration for our dear friend, Buster Guth. About 130 members, family, and friends enjoyed a delicious lunch and wonderful music, and the chance to meet new friends. We even had a few take advantage of the invitation to dance! I think Buster would have enjoyed himself. We still miss him, but will always remember the time and effort he put in to make the Center what it is today. Thank You, Buster!

I encourage everyone to become a more active part of the Center. We need your suggestions for new classes, programs, and trips.

The Thrift Shop will reopen on a normal weekly schedule, with a half-price day on September 3, from 9 to 1, so come over and check out all the newly added treasures.

I look forward to an active and productive Fall at the Center, and wish you all a happy Labor Day weekend. I you think this year or summer went fast, just wait as we gear-up for the impending holiday season!

- Debbie

Our Organization

A Message from Your Assistant Manager

Hope everyone had a wonderful summer! We are so fortunate to have a beautiful patio where we can just sit and enjoy nature and our friends. If you haven't had a chance to sit out on the patio, I suggest you do. There is almost always a wonderful breeze, and it is just a nice place to sit back and relax.

Grand View Hospital will be at our Center on Wednesday, October 16, 2019 for our quarterly Nutrition program, *Healthy Holiday Entertaining*. They will be in the dining room during lunch to present their program. If you would like to eat that day you must sign up in Copilot the Wednesday before by 11:30. We eat lunch at 11:30. If you do not know how to order your lunch in Copilot, you can ask me and I will show you or someone at the front desk will help you.

I would like to encourage people to come play Bingo the first and fourth Wednesday of each month. Joe Marcavage is our Bingo Caller. Joe will keep you in stitches all during the games. He's a real comedian but most of all he loves calling Bingo and he loves all his players.

I would like to once again thank all our Volunteers. We couldn't run this Center without you. I am also a Volunteer at other organizations and I truly know the dedication and commitment it takes to be a Volunteer. You guys are the best!

Peggy Lewis

A Message from Your President

Hi Everyone!

With Fall being just around the corner, we have a lot going on, as you'll see in the following pages. Just a note on a few new and a few continuing ventures, with more information in the Newsletter - Our Thrift Shop is again open on Tuesdays, we will co-host a Purse Bingo event on October 27; our Holiday Cash Raffle is coming again, we will have Billiards Lessons in the evening, and on Thursday mornings we will have Seated (Chair) Tai Chi . These are just some of the events and activities, but we have more, in the following pages.

As our Executive Board for this fiscal year is now in place, we will remain steadfast in doing our best to continue making the Center even better. We do have challenges like any other Center, but we always persevere!

We regularly hold Membership Meetings, and questions and comments are always welcome. The only thing missing is MORE MEMBERS! Since this Center is yours, please come out to meet us, hear what we have to say, and make comments and ask questions. There are great suggestions made, but I'm sure there are more out there. One recent suggestion is to have punch cards for each class where you can pay in advance, and then your card will get 'punched' when you come for that class. This will avoid lines at the receptionist's desk, allowing you to get to your class faster. What a great suggestion! So come on out and tell us about any ideas and suggestions that you may have!

Also, as usual, use Copilot. If you do, you may win one of two \$10 gift certificates each month to local restaurants. But you need to use Copilot to be eligible!

Lastly, I need to pass the torch for creating and editing the Newsletter beginning in January 2020. I've given notice a year ago, so if you are interested or know of a good candidate, please see me or Debbie as soon as possible.

Who We Are

The Pennridge Community Center is one of the four full-service senior citizen centers operated by the BUCKS COUNTY ASSOCIATION FOR RETIRED AND SENIOR CITIZENS (BCARSC), a non-profit corporation. The BCARSC is funded through the PA Department on Aging, and through self-supporting projects. BCARSC is an equal opportunity employer.

All programs and services provided at the four Centers are offered without regard to race, religion, political affiliation, or personal background.

The Pennridge Community Center serves all citizens ages 55 and older who reside in the boroughs of Dublin, Perkasio, Sellersville, Silverdale, and Telford and the townships of Bedminster, East Rockhill, Hilltown, and West Rockhill.

The Pennridge Community Center is partially funded through the Bucks County Area Agency on Aging, the PA Department on Aging, the Federal Food program, and self-supported projects.

All operational expenses are the responsibility of the Center. The Executive Board, Advisory Board, Center Manager, and Assistant Manager are responsible to pursue all possible sources to generate income.

Mission Statement

The Pennridge Community Center was founded in 1964 as the Upper Bucks Branch of the Bucks County Association of Retired and Senior Citizens. The mission of the original Center was to provide a facility for retired and senior citizens to meet friends and make new acquaintances.

Over the years, the mission has changed to provide for the needs of the senior citizens of the 21st century. The mission has expanded to provide relevant information, services, and activities necessary to assure aging with health, independence, and dignity.
