BUCKS COUNTY ASSOCIATION FOR RETIRED AND SENIOR CITIZENS

**JULY / AUGUST
2015**

From Debbie's Desk

Our Executive Board

I'd like to thank all who attended the Membership Meeting on May 20. Various items were discussed and a new Genealogy Workshop was kicked-off. But even though this meeting was informative, there are the people who do a lot for the Center that sometimes go unnoticed, but keep the Center running smoothly. I'd like to highlight our Executive Board members, and mention some key items they each handle. I'd like to thank these seven volunteers, as they provide guidance and support to me.

Buster Guth is President of the Board. He organizes our meetings, keeps the Center looking nice (mulch and beautiful flowers — thanks to Buster, Pat, and Sam), he deals with maintenance contractors for the building and grounds, he is key for the patio grant (construction will take place in the July/August timeframe), he is on the BCARSC Board and meets to discuss issues with the other Bucks County centers, and he is making a grandfather clock that will reside in the lobby. He is also a member of our Advisory Board and the Ways & Means Committee.

Ted Heimbach is the 1st VP of the Board. Among other items, he handles our membership and mailing files, the new Copilot system, the organization and editing of the Newsletter, teaching our computer classes, and he was key in organizing the Senior Living Expo and the Elvis shows, and more. He is also a member of our Advisory Board and the Ways & Means Committee.

Dale Roades is the 2nd VP of the Board. Dale deals with technology and teaching our computer classes, he keeps the LED sign up-to-date, he organized the Model Builders Club, and handles many day-to-day requests from me. Dale is also a member of the Ways & Means Committee.

Susan Vasquez is the Treasurer of the Board. She keeps the finances straight and the books in order. She also handles the ordering of our office supplies.

Vivian McManus is the Secretary of the Board. She handles the meeting minutes and is our organizer of the Fall Craft Fair, and she always has great new ideas. Viv is also a member of the Ways & Means Committee.

Elaine Frank is a Member-at-Large of the Board. She brings any issues and concerns of the members to the Board. She also organizes the Flea Market with her husband Bob. She is also a receptionist and a member of the Ways & Means Committee.

Paul Burns is also a Member-at-Large of the Board. As our newest member Paul will also voice member concerns to the Board, and he volunteers for many events. He is also a receptionist, and is always willing to take on other tasks.

Please say Thanks to these folks, as they make my job much easier with their volunteering.

Our Organization

From Your President

Happy Summer! The summer landscaping has been completed with the planting of geraniums and mulching of the beds. We are ready to enjoy the wonderful warm weather!

During the past several months, we had the pleasure of participating in two intergenerational activities with the students and staff of Central Middle School. On March 26 approximately 45 members joined the eighth graders for lunch in the cafeteria, enjoyed a musical interlude and dessert, and attended the presentation of "Perfectly Modern Millie." On May 14 students helped us celebrate Armed Forces Day with a wonderful program honoring each service branch. Thank you to Principal Chris Temchatin and staff members Mary Lou Ashworth and Stacy DiMichael for providing these programs. It was great to have these experiences with teenagers!

Attention all sidewalk superintendents and curious observers!! In the near future you will be able to observe the renovation of our patio. We have been granted a permit and contractors have been selected. In addition, the laminated lumber has been ordered directly from the manufacturer. We thank West Rockhill resident Fred Diserod of KCBA Architects for donating his help and leadership for this project which will provide us with usable outdoor space. This will be exciting!

Although the activities of our Technology Grant have been completed, we will continue to offer workshops geared to increasing your confidence in the use of technology. If you are considering the purchase of a computer or an iPad, participation in our workshops will provide you with basic skills. Participation will also help you "brush up" your skills. Our super techies Ted Heimbach and Dale Roades will offer workshops in the near future – stay tuned!

Our Center offers many worthwhile programs and activities. Our special lunches are a real treat! Debby and Peggy provide varied activities for all to enjoy. Many programs are staffed by dedicated volunteers doing a wonderful job. We would be unable to function without them. Thank you for the Good Work!

I hope to see you at our Center!

Kitchen News from Peggy

Summer is finally here. Enjoy the warm weather and summer fruits and vegetables. Below is a creative way to make homemade ice cream. I did this with my children when they were young. Great for the whole family. Enjoy and have a great summer!

Coffee Can Ice Cream - Use the recipe below or your favorite ice cream recipe

- 1 pint half and half
- 1 1/2 teaspoons vanilla
- 1/3 cup sugar
- 1/2 cup rock salt

Additional supplies needed: 1 lb. coffee can, a 3 lb. coffee can, and duct tape.

Mix the first three basic ingredients together and pour into the one pound coffee can. Add flavorings if desired. Place the lid on securely with duct tape and set inside the three pound can.

1. Add ice, and alternate layers of ice and salt outside the small can and inside the large can. When totally full, secure the lid on the large can with duct tape.
2. Have your kids sit on the ground and roll the can back and forth sitting 3 to 4 feet apart. Roll for 8 to 10 minutes.
3. If it is not starting to freeze, replace lids and roll 10 minutes more. The ice cream should be frozen to the sides and bottom of the can. If not thick enough, place in freezer and check every 10 minutes or so.

GENEALOGY RESEARCH ASSISTANCE NOW OFFERED

Penridge Community Center is offering genealogy research on a scheduled appointment basis. Each session will be held at the Center and can be up to one and a half hours; we will provide a written report of our research, including supporting documents. There is a small fee for each session. For the first appointment the cost for members is \$5.00 and for non-members it is \$10.00. Any additional sessions are \$4.00 for members and \$9.00 for non-members. The number of meetings required would be up to you, the client.

The research is conducted by Center members using the available free genealogy web-sites. Our researchers are not professionals, but have been doing genealogy research for several years with a great deal of success.

Sessions can be scheduled during the following times: Monday evenings from 6pm to 8pm; Tuesday mornings from 9am to noon; Wednesday afternoons from 1pm to 3pm; and Friday mornings from 9am to noon. You can schedule a session by emailing: genealogy@penridgecenter.org. Or call the center at 215-453-7027 and leave a message asking that the genealogy team contact you.

How Many Bricks on the Patio???

It's a Contest!!! How about guessing the number of bricks on the patio? Record your guess on an entry form available at the desk. Those who guess the correct number and those who are one number below and one number above will receive a gift certificate to Landis Market. Winners will be announced at the Elvis Show on July 21. Here's a clue – the number is between 1000 and 6000!

## The GrubStake SweepStake Raffle is Back!

What are the GrubStake SweepStakes? About twenty years ago, the late Nancy Keenan created the GrubStake SweepStake fundraiser. Its name is derived from GrubStakes which the pioneers referred to as food and the term SweepStakes which are raffles. The GrubStake SweepStakes is a raffle for food certificates and vouchers from local businesses. Over the years, this fundraiser has provided more than \$100,000 for the building and operating expenses of the Center.

The first five prizes will include \$250 gift certificates to Landis Market, \$250 gift certificates to the Giant, and a \$100 gift certificate to Dublin Shop and Bag. In addition, more than 40 gift certificates for local restaurants and grocery stores will be awarded at a special drawing at the Center on October 15. GrubStake Raffle tickets will be on sale from July 7 through October 14 and can be purchased at community events and also from the Center receptionist at a cost \$1 each, 6 for \$5, or 13 for \$10.

**Be a Winner as you support your Center!**

## Update from the Senior Living Expo

On Wednesday, June 24, we hosted a Senior Living Expo. In attendance were representatives from 8 local assisted living and memory care facilities. Approximately 100 people came to the Center to talk to them, ask questions, and to receive more printed information about their facilities.

As this was our first time hosting this type of event, we anticipate continuing this Expo next year. With the senior population increasing each year, the information needed by family members and care-givers will be in demand even more.

Thank you to all who attended, as well as to all the volunteers from the Center who made this a success.

## Notes, Notes, . . .

### Volunteering at the Center

Our Center is what it is, thanks to the volunteers. Every day there are folks who volunteer their time and expertise to make the Center one of the best around. Besides being “just” a volunteer, you’ll get to meet and deal with people that you may not have before. At times there are events you can volunteer for, and you typically won’t have to pay for that event.

As the Center evolves and has more offerings than previously, we need more volunteers. As the Center’s population is getting older, we need younger volunteers to take over for those who no longer can be at the Center as much as they had. So please, try to find time to volunteer at the Center!! Be bold and try something new - you’ll be surprised how much you can help the Center, and feel good about yourself.

Contact Debbie or Peggy if you are interested.

**Available volunteer positions are:**

Receptionist (back-up only), Kitchen Help,  
Flea Market Help, and Meals-on-Wheels Drivers

Thanks to all for your support of the recent book sale. We have added many new titles to the shelves, including biographies, romances, mysteries and more by popular authors. Stop by to choose a good book for the beach or your staycation, and pick up a copy of the current summer themed word search too! Look for information on the newly formed Breakfast Book Club elsewhere in the newsletter.

### Pocket Billiards Tournaments

Our pool players, i.e., billiards players, have tournaments throughout the year, playing other centers’ and retirement homes’ pool players. If you’d like to come out and play and compete, there is a spot for you, as there are no try-outs.

## Who We Are

The Pennridge Community Center is one of the four full-service senior citizen centers operated by the BUCKS COUNTY ASSOCIATION FOR RETIRED AND SENIOR CITIZENS (BCARSC), a non-profit corporation. The BCARSC is funded through the PA Department on Aging and through self-supporting projects. BCARSC is an equal opportunity employer.

All programs and services provided at the four Centers are offered without regard to race, religion, political affiliation, or personal background.

The Pennridge Community Center serves all citizens ages 55 and older who reside in the boroughs of Dublin, Perkasie, Sellersville, Silverdale, and Telford and the townships of Bedminster, East Rockhill, Hilltown, and West Rockhill.

The Pennridge Community Center is partially funded through the Bucks County Area Agency on Aging, the Pennsylvania Department on Aging, the Federal Food program, and self-supported projects.

All operational expenses are the responsibility of the Center. The Executive Board, Advisory Board, Center Manager, and Assistant Manager are responsible to pursue all possible sources to generate income.

## Mission Statement

The Pennridge Community Center was founded in 1964 as the Upper Bucks Branch of the Bucks County Association of Retired and Senior Citizens. The mission of the original Center was to provide a facility for retired and senior citizens to meet friends and make new acquaintances.

Over the years, the mission has changed to provide for the needs of the senior citizens of the 21<sup>st</sup> century. The mission has expanded to provide relevant information, services, and activities necessary to assure aging with health, independence, and dignity.

# Last Minute Items

## Patio Progress

As you are aware, the Department of Aging has awarded us with a grant of \$74,969 to remodel our patio into a usable space.

The installation of a new floor and a roof will be beginning shortly. The first job will be removing the bricks, which hopefully will begin in early July. The excavation and concrete will be done by Penn Builders. Pennherr Construction will install the posts, beams, trusses, and decking. Bryant Roofing and Siding Contractors will be responsible for the shingled roof.

Completion is estimated to be early October. Architect Fred Diserod and Buster Guth are supervising the project.

## Rentals at the Center

As you know, we have many rentals at the Center throughout the year. In fact, last year we had 48 rentals, ranging from parties to receptions to dances. We anticipate more for 2015, now that we have become even more well known.

For those who may not know, we rent the Legacy Room and the Conference Room. These rentals bring income to the Center, which in turn helps fund many things, including classes and activities, as they help to keep our Center open and running.

If you know of any potential renters, please direct them our way. We appreciate your efforts in helping the Center!

### Website / Facebook

**Remember** - You can find more information about the Center on our website - [www.pennridgecenter.org](http://www.pennridgecenter.org)  
Check out the website often!! And tell others!!

**ALSO**, our Facebook page is updated often. You can find information here as well as on the website. And if the website is not accessible, please try our Facebook page, especially when there are weather concerns and the Center's closing.

Our page is [Pennridge Community Center](https://www.facebook.com/PennridgeCommunityCenter)

### Sign-up in for your activities on the Copilot System!

We are in the process of working with the County to have the Lunch sign-up (called Pre-Registration) on Copilot. This will be mandatory for those who choose to eat lunch at the Center. Once active, the lunch pre-registration will allow you to sign-up for lunch in advance.

***If you do not sign-up, there will be no lunch available.***

We will have more information posted once the County works with us on this.

But remember, once we go 'live' with the lunch pre-registration, you **MUST** sign-up on Copilot.

There will no longer be a paper sign-up sheet.

Copilot is now 'live', meaning the County and State will use Copilot for monitoring the centers in Bucks County, to more accurately assess the centers for financial assistance. So please use Copilot to sign-in for all activities.
