From Your Manager

Welcome to the Center, everyone! We hope you are all enjoying autumn so far and looking forward with gratitude to the many holidays coming up in the next couple of months.

I would like to officially inform everyone that we have had a change in management at our Center in October, and I have now moved into the position of Manager for the Center. Prior to this move, I was Assistant Manager for our Center for the past five years. I met a lot of people in the past five years, and I hope to meet more. The Center means a lot to me. My heart is here at our Center. I will continue to be there for everyone. I am proud of our Members and Volunteers and want to thank every one of you for making our Center what it is today.

I would like to officially announce and welcome Carol Kuhns as our Center's New Assistant Manager. Carol and her husband Terry, have been long time residents of Perkasio and members of our Center. They have three children and four grandchildren. Some of you may know Carol from her long-time career as a Pharmacist Technician in Perkasio. Carol worked for Thrift Drug Store which is now Rite Aid for over 51 years.

I would also like to announce and welcome Steve Taylor as our new Building Attendant. Steve is a long-time resident of Bedminster and a member of our Center. Steve and his wife, Linda, have three children and two grandchildren. You will know Steve when you see him. Steve will be the guy who always has a smile on his face and there to lend a hand when needed. Steve will be taking the place of Ed McManus. Ed has been our Building Attendant for many years. During those years he has gone over and beyond to make every event run smoothly. Ed isn't leaving the Center, just stepping down as Building Attendant. Thank you, Ed, for everything.

On Sunday, October 27th, our Center had our first Designer Bag Bingo. I want to thank everyone who worked so hard to make it a huge success! It was pouring down rain and everyone still came out to support us. Thank you for your continued support.

For our first Historical Program of 2020, it will be "Perkasio Firsts". We welcome Rick Doll of the Perkasio Historical Society. The presentation will start at noon, on January 15th. Bring a friend or two and enjoy a wonderful day out.

Ted Heimbach has worked on the Newsletter since 2012. After almost 8 years, he deserves to pass the torch onto the next editor (and Thank You, Ted!). This 'job' typically can take up to 30 hours to prepare in the way it is done currently, but we will be switching to an entire new system. The new Newsletters will be in color and will have ads, as we will be switching to an external company who will be managing the ads and formatting the articles into a finished product. Dale Roades will be working with an external company, and as a new venture, there may be a bump in the road until everyone is comfortable. Also, the Newsletter will still be mailed to members, so keep your membership current.

Have a safe and Happy Holiday!

Peggy Lewis

Our Organization

A Message from Your President

With Fall here and Winter on its heels, have you checked your home to see that your heater is operating efficiently, that your windows are down and locked, that your snow shovel is handy, and that you are prepared for everything else before winter arrives? Here at the Center we do the same for our members and non-members alike. Yes, we occasionally have issues to handle, but with a routine in place, we avoid as many problems as possible. We have made a few repairs here at the Center, to keep the Center safe and warm for everyone, so please enjoy the environment inside as the weather gets cold outside.

And again, there are changes at the Center that you'll see, and some that may not even be visibly noticeable to you. Changes are always necessary to keep up with the times and adjust to the Center's increasing population. If you have any thoughts or ideas for new and existing programs, presentations, games or just comments, please let any Executive Board member or Peggy know.

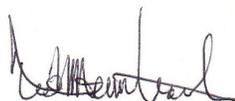

One new change at the Center will be this Newsletter. Beginning with the January / February Newsletter, you will see our first color edition! We are able to switch to this new format by using a new company. Yes, you will see a different Newsletter, but I believe you'll be pleased overall. There may be a kink or two to work out with this first edition, so please be patient as we revise and revamp the Newsletter to best serve the community.

I know Copilot has been mentioned time and time again, and I'll mention just two things once more: first - please continue to use Copilot as our funding takes Copilot into effect, and second - the winners of the first three Copilot contests were chosen at random. Check further in the Newsletter to see who won!

I'd also like say that we, the Executive Board, appreciate all who come to the Center, and those who volunteer are the essential crew who help keep this Center running smoothly. If we currently do not have a task for you to volunteer for at the moment, we will keep your name on a contact list for when something that interests you becomes available.

Stay tuned for the Holiday Cash Raffle on November 17, the Thanksgiving holidays, and our annual Holiday Banquet on December 12. Tickets for the Raffle (\$20) and Banquet (\$15) are available at the front desk.

Take care and be safe! Happy Holidays!

A Few Items of Note

Wheelchair Accessible Van needed —

A member is in need of buying a wheelchair accessible van. If you have one for sale, please let either Peggy or Ted know, so we can pass the word on. Thank you.

A new, big screen TV should be in place on the wall behind the stage in the Legacy Room by the time you read this. Who We Are

The Pennridge Community Center is one of the four full-service senior citizen centers operated by the BUCKS COUNTY ASSOCIATION FOR RETIRED AND SENIOR CITIZENS (BCARSC), a non-profit corporation. The BCARSC is funded through the PA Department on Aging, and through self-supporting projects. BCARSC is an equal opportunity employer.

All programs and services provided at the four Centers are offered without regard to race, religion, political affiliation, or personal background.

The Pennridge Community Center serves all citizens ages 55 and older who reside in the boroughs of Dublin, Perkasio, Sellersville, Silverdale, and Telford and the townships of Bedminster, East Rockhill, Hilltown, and West Rockhill.

The Pennridge Community Center is partially funded through the Bucks County Area Agency on Aging, the PA Department on Aging, the Federal Food program, and self-supported projects.

All operational expenses are the responsibility of the Center. The Executive Board, Advisory Board, Center Manager, and Assistant Manager are responsible to pursue all possible sources to generate income.

Mission Statement

The Pennridge Community Center was founded in 1964 as the Upper Bucks Branch of the Bucks County Association of Retired and Senior Citizens. The mission of the original Center was to provide a facility for retired and senior citizens to meet friends and make new acquaintances.

Over the years, the mission has changed to provide for the needs of the senior citizens of the 21st century. The mission has expanded to provide relevant information, services, and activities necessary to assure aging with health, independence, and dignity.

'CENTER STORE'

The Store is open!

Our shirts are in, and we will have the items on sale in the lobby. Our display case is show-casing the Store items and other items from the Center. Pricing is affordable for the sweatshirts, hoodies, golf shirts, and tee shirts. We will be bringing in other items in over time, so check what we have for sale when you come into the Center.

Rentals at the Center

As you know, we have many rentals at the Center. We have bookings into 2020. Bookings range from parties to receptions to dances, and more.

For those who may not know, we rent the Legacy Room and the Conference Room. These rentals bring income to the Center, which in turn helps fund many classes and activities, and also to help offset the Center's overhead. **Please help get the word out about our great venue!**
