BUCKS COUNTY ASSOCIATION FOR RETIRED AND SENIOR CITIZENS

### Our Center is a *New* Center!

Our Center is changing— but that's a good thing!

Although these items are the physical changes you've seen, other behind-the-scenes changes either have been or will be changing. A few of these changes have included our website, a few new activities, and our fund raisers. These activities have been made possible by our volunteers, and as I mentioned in the last Newsletter, they are very much appreciated.

Our Center has also been fortunate in that we have many donors. Businesses, municipalities, and individuals have made donations that also help the Center serve the membership.

In the upcoming months, we'll be thinking of new ideas for the Center to attract new members. We need to continually make minor adjustments to our Center in order to keep the members we have, but to also attract new members.

One way we'll be doing this is by having an Open House on September 13 from 6-8 pm. Many people in the surrounding communities have never set foot in the Center. This Open House should show everyone that this great Center is theirs—they just need to make use of it. We will give tours, show some activities, and have wine and cheese. In the Open House we will have a few caterers and a bakery for them to see the facility, and also for the public to be aware of these businesses, should they need them at some point in time.

We have been tracking the number of members coming to the Center each day, and we're seeing an increase, which is really great!

We have many fundraisers throughout the year, and we count on your support as well as the communities' support. Our Lottery Calendars are a huge fundraiser, but currently we're selling GrubSteak tickets — please

support the center by buying some numbers, and who knows — you might win!

#### Join in the Founder's Day Celebration!

In recognition of the contributions of Nancy Keenan and Clarence Applegate in the construction and operation of our new Center, the Advisory Board is sponsoring a Founder's Day Celebration from 3:00 - 5:00 PM on Sunday, October 21. A concert by the Harmenaires will be followed by light refreshments. There is no charge for the concert; however, tickets will be required for participation. In mid-September, complimentary tickets will be available at the Center.

## Pennridge Community Center

### Mission Statement

The Pennridge Community Center was founded in 1964 as the Upper Bucks Branch of the Bucks County Association of Retired and Senior Citizens. The mission of the original Center was to provide a facility for retired and senior citizens to meet friends and make new acquaintances.

Over the years, the mission has changed to provide for the needs of the senior citizens of the 21<sup>st</sup> century. The mission has expanded to provide relevant information, services, and activities necessary to assure aging with health, independence, and dignity.

## Who We Are

The Pennridge Community Center is one of the five full-service senior citizen centers operated by the BUCKS COUNTY ASSOCIATION FOR RETIRED AND SENIOR CITIZENS (BCARSC), a non-profit corporation. The BCARSC is funded through the PA Department of Aging and through self-supporting projects. BCARSC is an equal opportunity employer.

All programs and services provided at the five Centers are offered without regard to race, religion, political affilia-

tion, or personal background.

The Pennridge Community Center serves all citizens ages 55 and older who reside in the boroughs of Dublin, Perkasio, Sellersville, Silverdale, and Telford and the townships of Bedminster, East Rockhill, Hilltown, and West Rockhill.

The Pennridge Community Center is partially funded through the Bucks County Area Agency on Aging, the Pennsylvania Department on Aging, the Federal Food program, and self-supported

projects.

The BCARSC is responsible for the salary of the Manager and Assistant Manager. All other staff members are volunteers. All operational expenses are the responsibility of the Center. The Executive Board, Advisory Board, Center Manager, and Assistant Manager are responsible to pursue all possible sources to generate income.

## From Your President

Have you seen the changes made at the Center the past few months? The dining area floor has been tiled, and beautiful new oak cabinets have been installed. On some days last month as many as 142 people participated in activities at the Center. Were you one of these people? If not, you are missing a great opportunity for information on important issues, fun activities, a great lunch, and great fellowship!

In the near future, we are planning to reinstitute the tree planting program, which was begun through memorial contributions. You may wish to consider honoring the memory of a loved one with a donation to the memorial fund to be used for these plantings. In addition, we are planning to erect a flag pole, which has been long overdue.

You may have recognized the change to the sign. The Pennridge Community Center is and will always be the home of the Pennridge Senior Citizens. Our major role is to provide opportunities for the senior population. Unfortunately, to many individuals, the image of a senior citizen involves sitting and rocking the day away. This is not our Center! We want to encourage the baby boomer seniors to join us and get involved.

Our Center could not exist without the efforts of our volunteers and the leadership provided by Debbie and Sara. Thank you for the Good Work!

## NEW NAME FOR THE BALLROOM!

As you may have heard previously, we have been searching for a name for our ballroom. A name would make it easier when events are held, and we believe we have chosen a name that will honor both the past founders and officers of the Center, as well as moving into the future.

Thanks to Susan Vasquez, we have chosen a name - *The Legacy Room*. Many names have come over my desk, and I knew I would know the right name when I heard it.

Thanks to all who participated!

## Center Brochures

We have just updated our brochures – one for the Center itself, and another for renting the Legacy Room /dining room, and the kitchen.

We have a few brochures at the Front Desk for our visitors and renters. If you need a brochure or two for when you talk to prospective members or renters, please see the receptionist.

Thanks go to Dale Roades and Ted Heimbach for their efforts in getting these brochures updated and printed.

## >>> SPECIAL EVENTS <<<

### September is Healthy Aging Month

Get ready! September is Healthy Aging Month! Time to celebrate your passion for life and a time to re-invent yourself. There are many resources and special offers for materials in the website — [www.healthyaging.net](http://www.healthyaging.net). The *Healthy Aging* magazine is another area where you can find out tips, articles, and other great information on healthy aging.

### Hearing Screening

Advance Hearing System, Inc. will be at the Center on September 13, from 9:30 am to 12:30 pm, to provide **FREE** hearing screenings. You must call the Center for an appointment.

### Open House

We are currently making preparations to have an Open House on September 13, 2012, from 6:00 to 8:00 pm.

The main purpose of this is to attract non-members of the Center to come for an informal get-together with members, enjoy a little wine and cheese, and tour the facility. We are hopeful this will bring an increase to the membership, and more community involvement.

We will be counting on our volunteers to help in this effort, with the event, the tours, and having 'live' demos of some activities.

Contact Debbie Scollon, Sara Kelly, Ted Heimbach, or Dale Roades for more information, or to volunteer.

### Senior Fair at PCC

On Wednesday, September 27, 2012, a Senior Fair will be held in the Legacy Room, hosted by First Savings Bank of Perkasie.

Due to this Fair, the Center will be closed for classes and activities only.

### Membership Meeting / Luncheon

Our annual Membership Meeting / Luncheon will be held on Wednesday October 3, 2012, at Noon. Please plan to attend to find out what's been going on at the Center, and to hear about some new things that will be happening in the upcoming months.

This is a **FREE** Luncheon!

### Volunteer Luncheon

The Center will host the Volunteer Luncheon on October 9 at Noon. As this is an Invitation-only luncheon, you will still need to call the Center to make your reservation.

Also at this Luncheon, we will be drawing the winners of the annual GrubSteak Sweepstakes.

We look forward to recognizing all of our volunteers!

### Flu Clinic

There will be a Flu Clinic on October 17, from 10:00 to 2:00 pm.  
There will be **No Charge!**

This is being conducted at the Center in partnership with the Area Agency on Aging, Bucks County Department of Health, and the Bucks County Medical Reserve Corp.

### Covered Bridge Presentation

The Bucks County Covered Bridge Society will have a presentation on October 15 at 12:30 pm. There are 12 covered bridges in Bucks County, of which 10 still carry traffic. At one time there were over 50 covered bridges in Bucks County. The Society has traveled to each of these bridges and will have a great presentation and an exhibit on these bridges will be brought here from the Sellersville Museum. Please plan to attend and learn more of the history of these bridges.

### Blue Cross/Blue Shield Seminar

A representative from Blue Cross/Blue Shield will be at the Center on October 24 at 1:00 pm.

This **FREE** seminar is open to all members.

### 2012 Senior Expo at Del-Val College

On Friday, October 26, 2012, there will be a Joint Senior Expo at Delaware Valley College in the Mougis Auditorium, 700 East Butler Avenue, in Doylestown, from 10:00 am to 1:00 pm.

This is being held for the residents of the legislative and senatorial districts, which are headed by the Hon. Katharine M. Watson (144th Legislative District), and the Hon. Charles T. McIlhinney, Jr. (10th Senatorial District).

### Diaper Drive

The Greater Philadelphia Diaper Bank is a non-profit organization that partners with other non-profit agencies. Through community Diaper Drives, they collect diapers and distribute them to social service organizations, homeless shelters and food pantries.

No federal assistance programs pay for or provide diapers, and Medicare only provides diapers for those in hospice. Seniors who cannot afford incontinence supplies are often at-risk of losing their independence.

The Diaper Bank is in need of any brand or size diaper, baby through adult. Open packages are accepted.

A donation box will be in the lobby for your donations from September 4 to December 29.

For more information, contact Debbie Scollon. You can also visit their website - [www.philadelphia diaperbank.org](http://www.philadelphia diaperbank.org).

## Last-Minute Items

### Thank You!

During the recent heat waves, our Center was designated as a Heat Emergency Facility by the Area Agency on Aging. When this happens, we are obligated to stay open to provide relief from the heat to those who have no air conditioning. When the Center is designated for this, we need volunteers to keep the building open from 9:00 am to 6:00 pm. We are very grateful for those volunteers, and they are: Emilio Gatone, Pat and Buster Guth, Sara Kelly, Debbie Scollon, and Ed McManus.

Ed and Debbie both deserve a special **Thank You**, as their dedication in being here had far exceeded expectations.

**Thank You again, Volunteers!!**
