## **May / June 2019**

---

The restoration of the Center is almost complete, but there are just a few items not yet completed.

PLEASE refer to the website for updates on the actual opening day for activities and classes ([www.pennridgecenter.org](http://www.pennridgecenter.org)). We want to thank you all for your patience during the past few months.

As we all get back into our routines, please remember that many of you have not yet renewed your membership for the 2019 calendar year. We realize the restoration of the building prevented many of you from stopping in, but we are still accepting renewals, as well as new members.

Speaking of membership, the cost for most classes and activities is broken down by members and non-members. If the receptionist checks the updated list of members and you are not on it, you'll need to pay the non-member cost, or renew so you only pay the member cost.

Remember, these costs help the Center to pay for the overhead of classes and activities.

We will also be having a Grand Re-Opening of the building on Sunday, June 23 from 1 to 3 pm. More information will be posted on the website and within the Center. This will be open to the communities at-large.
